AN
INDEX

Tea in Kashmir.

There are two ways of preparing tea in Kashmir. The first is to put the tea in a pot with cold water and boil it for half an hour, when more cold water is added, after which it is boiled for another half hour. Milk is then added and it is ready for drinking. The second is to place the tea in a pot with a little soda and water and boil for half an hour as before. Milk, salt and butter are then added, after which it is boiled for another half hour, when it is ready.

The Emerald's Power.

Emeralds from India, Persia and Pe-
rse are the most valuable. According
to their tint and their luster, they are
classed as prosines, heronians and
domitaines. According to Suetonius,
Nero used to look at the fighting gladi-
tors in his emerald. The stone is the
emblem of charity, hope, joy and abundance.
It had the reputation of curing
epilepsy by application and of being an
all round pain killer.

How to Avoid Trouble.

Now is the time to provide yourself
and family with a bottle of Chamber-
lain's Cholic, Cholera and Diarrhoea
Remedy. It is almost certain to be
needed before the summer is over, and
if procured now may save you a trip to
town in the night or in your business
season. It is everywhere admitted to
be the most successful medicine in use
for bowel complaints, both for children
and adults. No family can be without it. For sale by Richard Gib-
son, druggist.

Like a Drowning Man.

"Five years ago a disease the doctors called
dyspepsia took such hold of me that I could
scarcely go," writes Geo. S. Marsh, well-
known attorney of Houston, Tex. "I took
quantities of pepto and other medicines
nothing helped me until I began to drink
grape juice at a small grocery at Kodak. I felt
an improvement as soon and after a few
bottles am sound and well." Kodak is the
name of the grape juice which exactly reproduces
the natural digestive juice and consequently
is the only one which digestes any good food
and cures any form of stomach trouble. For
sale by E. S. Leach & Sons.
